c) Worcestershire County Councillor – Alan Bailes (Alvechurch division) Cllr Bailes commented that, following last month’s description of Worcestershire County Council meetings as being “like a Punch and Judy show”, events since make the council appear “more like a circus”. Reform UK councillors met and voted to remove their group leader, replacing her with Alan Amos, who has previously stood for election as a Labour, and a Conservative candidate.

Subsequently, the Conservative, Liberal Democrat, and Green groups formed an alliance to oppose Alan Amos. Green Party councillor, Matt Jenkins, was then elected Leader of the council. Further developments followed when the Leader of the Conservative Group was suspended by the Conservative Party as the Conservative Party does not enter into formal arrangements with either the Green Party or the Liberal Democrats. Following this, three Conservative councillors resigned from the group, while Bradley Thomas MP publicly stated that he supports Kemi Badenoch’s position that Conservatives should not enter into agreements with other parties. Reform UK have also stated that they will not enter into any agreements with other groups. In addition, four former Reform UK candidates have now formed their own Independent Group. Further details are expected in due course. Concerns were also raised regarding the council’s financial position as WCC is under significant financial pressure and may face intervention from central government if its situation deteriorates further, similar to the intervention seen at Birmingham City Council. WCC is required to identify approximately £13 million of savings next year, SEND and education services will be affected. Cllr Bailes requested that the installation of painted white “H” access markings outside properties on Hewell Lane be considered.

d) Bromsgrove District Councillor - Charles Hotham (Barnt Green & Hopwood). As from September housing developments of up to 9 dwellings will no longer go to the Planning Committee but decisions will be made by Case Officers. Any housing development of over 150 dwellings, if it is to be refused, will have to be referred to the Secretary of State. There is a shortage of Planning Officers, more Officers are moving into the private sector. Cllr Hotham had sent the results of the previous Local Plan consultation to councillors. The timetable for the Strategic Plan had been published and will be discussed at the BDC meeting on Wednesday, the agenda is 263 pages long! In June 2027 the Plan will include the sites but by then there will have been many speculative development applications.
