Minutes of the Ordinary Parish Council meeting held on

Monday 15th June 2026 at 7.00pm at 80 Hewell Road, Barnt Green, B45 8NF

Members present: Cllrs R Cholmondeley, C Hotham, P Perry (arrived 7.04pm), L Williams, O Pardo-Roques.

In attendance: Executive Officer, Eleanor Choudry

WCC Cllr Alan Bailes (left at 8.45pm)

1 member of the public (left at 7.12pm)

26/579 Apologies Cllrs Whitehand, Cllr Tucker, Cllr Roberts.

26/580 Declarations of Interest: Councillors are reminded that to ensure transparency and retain public confidence in the council's decisions they are required to -

- a) Keep their Register of Interests form up to date;
- b) Declare any Disclosable Pecuniary Interests (DPI) and any Other Disclosable Interests (ODI) in agenda items and the nature of those interests.

Cllr Hotham cannot comment on any planning applications due to his role as D Cllr at BDC and the possibility that he could be on the Planning Committee.

26/581 To consider any dispensations

No dispensation requests had been received.

26/582 Open Session – Participation to hear from:

- a) Members of the public. A resident from St Andrews Church Fundraising Committee advised that the 115-year-old church requires its roof replacing at a cost of £200k. The building is grade 2 listed so specific rules and regulations are required to be met. During late autumn and throughout next year fund raising activities will be organised. The EO to send the Grant Application Form for completion. Councillors agreed to publicise their fund-raising events and provide advice if required. Cllrs agreed that collection buckets could be used at the Christmas lights switch on.
- b) Supporting organisations, e.g. Safer Neighbourhood Team (SNT), Footpath Warden. None present.
- c) Worcestershire County Councillor – Alan Bailes (Alvechurch division) The Green Party and Independents have formed an Alliance in conjunction with the Liberal Democrats. This follows the motion of no confidence in the previous Reform leader. Cllr Bailes is now the Cabinet member for Health and Wellbeing. The bollard near the tactile paving is awaited. The H lines on Hewell Lane are to be considered. Complaints have been noted regarding the narrowness and issues with vehicle priority along Hewell Lane due to parking. A parking study along Hewell Road is to be carried out with the parish council facilitating between the

businesses and Bromsgrove District Council. Cllr Hotham will pursue this. Discussion took place regarding the flags on the lamp posts along Hewell Road and streetlamp ownership. Cllr Bailes to send further details to confirm ownership of the streetlamps and those that light the footway. Discussion included the parish council giving notice to WCC to invoke under section 98 of the Highways Act 1980 to determine the council's position as a lighting authority.

d) Bromsgrove District Councillor - Charles Hotham (Barnt Green & Hopwood). The Strategic Plan timeline has been published. A scoping consultation will consult on infrastructure rather than sites; it is not until the timeline reaches Gateway 3 that speculative planning applications are considered. As BDC cannot demonstrate a five-year housing land supply, developers are submitting speculative applications on unallocated Green Belt/Grey Belt sites, the council considers and makes decisions on these independent of the gateway dates. There will be potentially two years of speculative planning applications. Cllr Bailes stated that 1,500 houses are currently with the planning department either at consultation or pre-application stage so there could be 5,000- 6,000 by the end of this year. Due to planning staff shortages the applicants may put in for non-determination. The government wants smaller sites so that the houses are built all in one go. If the Planning Committee wants to refer applications for over 100 houses the application is decided by the Inspector. From September minor household planning applications under 10 houses will be decided by Case Officers. Cllrs agreed to delay the production of the Bulletin to include the latest planning update which will be available in mid-July. Parking Enforcement Officers can now issue fines for littering. Work is being carried out for a community governance review of the whole district. Parish council boundaries are being discussed. The District Council elections held in May 2027 will be for councillors in the unitary authority coming in May 2028. Existing councillors are expected to remain for an extra year.
